### Will Meet in Winchester.

The annual convention of the Eighth Kentucky District Convention of the Christian Women's Board of Missions and Sunday-schools of the Christian church will meet in Winchester April 20, 21 and 22, and preparations for the meeting are under way all over the district, which is composed of Clark, Bourbon, Bath, Robertson, Montgomery, Nicholas and surrounding counties. It is probable that the convention will be held in Carlisle next year.

### The Unemployed.

The legislation of the thirteenth, fourteenth and fifteenth centuries abounds in bills concerning the unemployed. In the reign of Edward VI. several laws were passed against "idlers"—most of them such because they could get nothing to do. In the reign of Henry VIII. the kingdom was infested with "rogues," "vagabonds" and "idle persons," and it is said that during Henry's reign more than 70,000 of this unfortunate class were hanged.

## IF WOMEN ONLY KNEW

What a Heap of Happiness it would Bring to Paris Homes.

Hard to do housework with an aching back. Brings you hours of misery at leisure or at work.

If women only knew the cause—that Backache pains come from sick kidneys.

"I would save much needless woe. Doan's Kidney Pills cure sick kidneys.

Many residents of this vicinity endorse them.

Mrs. J. M. Radford, Murray, Ky., says: "When I compare my present good health with that prior to using Doan's Kidney Pills, it seems as if I never could be grateful enough to this remedy for the benefit it brought. My back was sore and I could not stoop without being seized by sharp pains in my loins. I was tired, weak and devoid of ambition and nothing seemed to do me any good. I finally procured Doan's Kidney Pills and began their use. They soon freed my back from pain and toned up my system."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

### \$15 To Insure

The ideal carriage horse is the American trotting bred horse, with size, speed, courage, and the true trotting gait, with plenty of knee and hock action. In addition he must have a clean cut head and neck, style and finish, plenty of substance without coarseness.

Recognizing the demand for this class of horses, I selected Taylor Simmons 23489, a young horse which fills all the requirements of the typical carriage horse. If the theory that "like begets like" be true, he will produce horses of this type when mated with good mares. Through his veins flow the blood of the greatest trotting families. He traces twice to George Wilkes and five times to Mambrino Chief II. This is backed by the stout thoroughbred blood of Boston.

Lien retained on colts until season money is paid.

M. J. MURPHY, Paris, Ky.

### Inmates to Do the Work.

By order of Superintendent E. H. Doaks, fifty of the older boys confined at the State Reform School, at Greendale, Fayette county, will be put to work in the next day or two digging a trench for a four and a half-mile water main connecting the institution with the Lexington waterworks system. The Legislature at its recent session made an appropriation for new water system which is to supply all the buildings. Last year there was much typhoid fever among the seven hundred inmates of the school, owing to poor water facilities, but with the new system this menace, it is believed, will be removed.

### Talent of Success.

The talent of success is nothing more than doing what you can do well, without a thought of fame. If it comes at all, it will come because it is deserved, not because it is sought after. It is very indiscreet and troublesome ambition which cares so much about fame, about what the world says of us, as to be always looking in the faces of others for approval, to be always anxious about the effect of what we do or say, to be always shouting to hear the echoes of our own voices.

### A Man's House.

What is a man's house but his nest, and why should it not be nest-like both outside and in—coarse, strong, negative in tone externally, and snug and well feathered and modeled by the heart within? Why should it be set on a hill when he can command a nook under the hill or on its side? Why should it look like an observatory, when it is a conservatory and dormitory?—John Burroughs.

### If You Have Eczema.

If you have eczema would you like to get prompt relief and be permanently cured by a clean liquid preparation for external use? Mr. W. T. Brooks, the chemist, has this remedy in stock. He knows the ingredients and knows of its wonderful curative and healing properties. ZEMO has cured a great many chronic cases of eczema and other forms of skin disease. Mr. W. T. Brooks will give you a booklet on skin diseases and explain to you how you can be cured in your own home by this clean, simple remedy ZEMO is pleasant to use and can be used freely on infants. It cures by drawing all germ life and poisons to the surface of the skin and destroying them leaving the skin clean and healthy.

### Drawback.

The Alpine guide waxed eloquent. "Behold," he cried, "yon beetling crags!" "They beetle for everybody, though!" sneered the rich American, and sullenly spat in token of his discontent. It was not true, however, that he lacked appreciation of the beautiful and the sublime, provided these were costly and exclusive.—Puck.
